# First-Deer Tag Applications

A First-Deer Tag Application may be used to apply for the following hunts:

#### **Premium Deer Tags**

Tags are issued through the Big Game Drawing for X zones, Additional Hunts and Area-Specific Archery Hunts. To apply for a premium deer tag issued through the Big Game Drawing, applicants must use a First-Deer Tag Application; except for junior hunters (see below).

**X Zone Tags:** These tags allow hunting during the general season only, in a specific zone using a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow.

Additional Hunt Deer Tags: Additional deer hunts offer antlerless, eithersex, and buck hunting opportunities in a variety of locations throughout the state. They include apprentice deer hunts, military lands hunts, and special equipment hunts.

Apprentice Deer Hunts: Applicants must be at least 12 years of age on or before July 1 of the license year for which they are applying or at the time of application if they are applying after July 1, and must possess a 2008/2009 California junior hunting license. Eligible junior license holders may use either a First-Deer or Second-Deer Tag Application to apply for apprentice deer hunts; however only one application may be submitted for apprentice hunts. (See pages 24-25 for Apprentice Deer Hunts.) Juniors receiving tags must be accompanied by an adult 18 years of age or older while hunting.

Military Lands Hunts: Additional hunts G8, G9 and J10 are held on military installations and offer limited numbers of tags for the public. Tags are issued through the DFG's Big Game Drawing. Additional Hunts G7 (Beale Air Force Base Either-Sex Hunt), G10 (Camp

Pendleton Air Force Base Either-Sex Hunt), and G11 (Vandenberg Air Force Base Either-Sex Hunt) are for military personnel only. Military personnel must submit deer tag applications directly to the base.

**Area-Specific Archery Hunts:** These tags allow archery hunting in designated areas throughout the state, including X zones.

#### **Deer Tags Issued On Request**

Deer tags are issued on request for A, B, C, and D zones until tag quotas fill. You may apply by mail or in person at any DFG license sales office.

- *A, B, and D Zone Deer Tags*: These tags allow hunting during the archery season with archery equipment and during the general season with a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow. Tags are valid for a specific zone except:
- B zone tag is valid in all B zones;
- D3-5 tag is valid in zones D3, D4, and D5; and
- D11, D13, or D15 tag may be used in any of these three zones.
- *C Zone Deer Tags*: These tags are valid in zones C1, C2, C3, and C4 during the **general season only**. To hunt with archery equipment during the archery season in any C zone you must apply for an A1 Area-Specific Archery Hunt tag.
- Archery-Only #1 (AO#1) Deer Tags: These tags allow hunting with archery equipment during the archery and general seasons in A, B, or D zones.

An AO#1 tag may be used by military personnel only for Additional Hunt G10. (To hunt during an X zone archery season, you must have an Area-Specific Archery Hunt tag.) You may not possess a rifle, pistol, revolver or crossbow when hunting with an Archery-Only deer tag except as otherwise provided.

#### Leftover Draw Tags Issued Beginning July 2, 2008

Persons with First-Deer Tag Applica-

tions or unsuccessful drawing notices may apply for leftover drawing tags. You must submit your application to the License and Revenue Branch in Sacramento before July 2, 2008 to be included in any additional drawings that may be required. (If the number of applications received by 5:00 p.m., July 2, 2008 exceeds the number of tags available for a specific zone or hunt, a drawing may be held.)

Any X zone or Additional Hunt tags remaining after the drawing will be issued on request by mail and in person from the DFG's License and Revenue Branch only.

Any Area-Specific Archery Hunt tags remaining after the drawing will be issued on request to any First- or Second-Deer Tag Application or unsuccessful drawing notice by mail and in person from the DFG's License and Revenue Branch only; with the exception of A1(Archery Buck in the C zones), also available at the Redding office; and A22 (San Diego Archery Either-Sex), A31 (Los Angeles Archery Either-Sex), and A32 (Ventura/Los Angeles Archery Late Season Either-Sex), also available at the Los Alamitos and San Diego offices.

#### **Preference Point Only**

Applicants who want to earn a preference point for deer but do not want to apply for a premium deer tag must:

- 1. Purchase a 2008/2009 California hunting license;
- 2. Purchase a First-Deer Tag Application;
- 3. Complete the application and write the point code "PD" in the first choice box on the application; and
- 4. Mail your application to the DFG's License and Revenue Branch. The application must be **received** by 5:00 p.m., June 2, 2008.

In addition to requesting a preference point, you may also use your application to apply for a premium tag or tag issued on request as your second and third tag choices.

# Second-Deer Tag Applications

After purchasing a First-Deer Tag Application, applicants may purchase a Second-Deer Tag Application to apply for the following:

#### **Apprentice Deer Hunt Tags**

Junior applicants who use their First-Deer Tag Application to apply for other tags, may use their Second-Deer Tag Application to apply for Apprentice Deer Hunts through the Big Game Drawing.

Junior hunters may only submit **one** application for Apprentice Deer Hunts; either a First-Deer Tag Application **or** a Second-Deer Tag Application.

#### **Deer Tags Issued on Request**

The following tags are issued immediately upon request until tag quotas fill. You may apply in person or by mail at any DFG license sales office.

- A Zone and B Zone Deer Tags: These tags allow hunting during the archery season with archery equipment and during the general season with a muzzle-loading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow except as otherwise provided.
- Archery-Only #2 (AO#2) Deer Tag: These tags allow hunting with archery equipment during the archery and general seasons in A, B, or D zones.

An AO#2 tag may be used by military personnel for Additional Hunt G10. (To hunt during an X zone archery season, you must have an Area-Specific Archery Hunt tag.) You may not possess any rifle, shotgun, pistol, revolver, or crossbow when hunting with an Archery-Only deer tag, unless otherwise specified.

#### Leftover Draw Tags Issued Beginning July 2, 2008

• Any Area-Specific Archery Hunt Tag Remaining After the Drawing: Tags for these hunts allow archery hunting in designated areas throughout the state, including hunts within X zones.

#### Tags Issued Beginning August 4, 2008

- *D Zone Deer Tags*: These tags allow hunting during the archery season with archery equipment and during the general season with a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow, or bow except as otherwise provided. Tags are valid for a specific zone except:
  - D3-5 tag is valid in zones D3, D4, and D5; and
  - D11, D13, or D15 tag may be used in any of these three zones.
- Any Leftover Additional Hunt Tags: Additional deer hunts include antlerless, either-sex, and buck hunting opportunities in a variety of locations throughout the state. They also include apprentice, military lands, and special equipment hunts.

On August 4, 2008, Second-Deer Tags for D zones will be issued at DFG offices upon request until quotas fill. Second-Deer Tags for unfilled Additional Hunts are issued only at the DFG's License and Revenue Branch. To receive any D zone or leftover Additional Hunt tag before August 4, 2008, you must use a First-Deer Tag Application.

#### Do You Hunt In Another State?

If you do, you must declare any legally taken and possessed game or fish brought back into California. For instructions and a printable copy of the Declaration For Entry form go the following Web address:

www.dfg.ca.gov/enforcement/ entry-declaration.aspx

## Important Things to Consider Regarding SecondDeer Tag Applications

- Second-Deer Tag Applications cannot be used to apply for C zone or any X zone Tags.
- If the DFG has received more applications than available tags for any zone or hunt, a drawing may be held. To be included in any drawing, submit your Second-Deer Tag Application in advance to the DFG's License and Revenue Branch in Sacramento.

## Filling Out Your Deer Tag Application

When filling out your deer tag application, follow these steps:

- 1. Purchase a deer tag application from a DFG office or license agent.
- 2. **Write your 2008/2009 California hunting license** number in the space provided.
- 3. If you applied for last year's big game drawing, you may have received hunter identification labels in the mail. If so, affix the hunter identification labels on the application. If not, print all required information, including your permanent hunter identification number (driver license or DMV identification number) and your date of birth.
- 4. Clearly print the **Hunt Code** for each choice, in order of preference, on your deer tag application (see pages 22-26). For Area-Specific Archery Hunts, use the hunt code (such as A6), not the zone where the hunt is located.
- 5. Mail your application to:

Department of Fish and Game License and Revenue Branch P.O. Box 349020

Sacramento CA 95834-9020

6. Make sure your application is received (not postmarked) by the drawing deadline of 5:00 p.m., June 2, 2008. Late applications will not be entered into the drawing and applicant will not earn a preference point.

#### Applying as a Party

Up to six (6) people may apply together by submitting their deer tag applications together, as specified below.

You must meet **all** of the following conditions to be considered a party:

- 1. All party members must make the same tag choices in the same order on their applications;
- Each party member's application must show the party leader's name and driver license, DMV identification, or

DFG identification number;

- 3. The party size must not exceed the maximum of six (6) persons; and
- 4. All party members' applications must be mailed in **one** envelope with the party leader's application on top and stapled together. (Party members arded tags according to choices listed on the top

are awarded tags according to choices listed on the top application.)

You may not add or drop party members once your applications are submitted.

The preference point value for party applications entered in the Big Game Drawing is determined by averaging all party members' points (total preference points of the party divided by the number of party members). Preference point averages are not rounded up or down.

### Please Check Your Application Carefully!

You may not make changes to your application once it is received by the DFG.

The information you provide on your application is used to track your preference points for current and future drawings.

Incomplete, incorrect, ineligible, or late applications may prevent you from receiving a deer tag for the 2008/2009 hunting season and earning a preference point for the 2008 season.

Late applications will not be entered into the drawing and applicant will not earn a preference point.

## Top Reasons Why Deer Tag Applications are Rejected From the Drawing

- 1. Applications received after the deadline.
- 2. Invalid zone or hunt code entered on applications.
- 3. Zone or hunt code not entered on applications.
- 4. Incorrect application used to apply for the drawing (Second-Deer Tag Application).
- 5. Applicant is too young to apply.

### 2007 Deer Harvest by Antler Class

The following table shows the percentage by antler class of forked horn or better bucks and the total reported buck harvest for zones and hunts as of Feb. 13, 2008.
